WIRELESS WARRIOR™

Invisible Threats Require a Vigilant Warrior

On alert 24/7, preventing unwanted wireless communications and giving you live intel and forensic data on every device inside your facility.

Own the power of The Warrior.™

THE INDUSTRY LEADER IN MANAGED ACCESS SYSTEMS

Never interrupts 911 calls, public safety radios or authorized devices **(tablets, cell phones...)**

Covers all FCC frequencies, and all wireless protocols

Ruggedly engineered for the harshest enviroments

The Strongest Defense Against Rogue Devices

Turnkey. Scalable. Cost Effective.

Call us for more information or a LIVE demonstration of an operational system.

WIRELESS WARRIOR™

	YES	NO
TURNKEY and FULL SERVICE IMPLEMENTATION		
Spectrum Survey/Analysis and System Design	✓	
Management of Spectrum Licenses, FCC and TELCO requirements	✓	
Installation, Configuration and Activation	✓	
Acceptance Testing	✓	
Training Program	✓	
Ongoing Maintenance, Health Monitoring, Technical and Intel/Data Support	✓	
Ongoing Unauthorized Cell Phone Analysis/Termination	✓	
COVERAGE of all signals, all frequencies and all protocols		
Protocols: GSM, CDMA2000, CDMA 1x (EVDO), WCDMA, UMTS, LTE, LTE-A	✓	
Frequency Bands: 600, 700, 806, 850, 1700/2100, 1900, 2.3G, 2.5G	✓	
2G, 3G, 4G, 5G radio and network core capability	✓	
Indoor/Outdoor Distributive Antenna System (iDAS/oDAS) and combo solutions	✓	
Scalable (new spectrum, protocols and technologies)	✓	
SYSTEM FEATURES		
Prevents all unauthorized call/SMS/data attempts	✓	
Monitors all unauthorized activity	✓	
Allows authorized devices to function without interruption	✓	
Allows 911 calls from all devices to reach any PSAP	✓	
No impact to the public and n interruption to devices of property	✓	
Compliance with federal, state and local laws	✓	
ENVIRONMENTAL SCANNING		
Remote spectrum analyzer notifies Wireless Warrior of any carrier signal changes	✓	
Ability to detect and log all pertinent network parameters	✓	
Continuously scans environment with change notification	✓	
Remote configuration and optimization	✓	
WEB APPLICATION, TROUBLE TICKET & ONGOING TECHNICAL SUPPORT		
24x7, 365 Easy-to-Use Wireless Warrior Web Application	✓	
Two factor authentication, Unique Identification Credentials, RSA Certificate	✓	
24x7, 365 Help Desk w/ Toll Free Phone#	✓	
24x7, 365 Health System Monitoring and Trouble Ticket App	✓	
Implementation and Support for all warrant processes and procedures	✓	
UNMATCHED EXPERIENCE		
35+ years RF, signal detection, wireless communications, and signal interdiction	✓	
Tested and proven in 21 correctional facilities	✓	
Woman Owned Small Business Enterprise, OTA non-traditional DOD vendor	✓
